Dear Representative Stanley,

I am writing to inform you, the Professional Fire Fighters of Massachusetts have chosen to endorse your re-election for 9<sup>th</sup> Middlesex District State Representative. After careful consideration, our membership voted unanimously to support your efforts. The PFFM found that you share the same ideals, values, and work ethic as the thousands of professional fire fighters across Massachusetts.

As professional fire fighters we are proud of our long history of hard work and dedication to our communities. Fire fighters have been the example of leadership and service in our cities and towns for centuries. We, the Professional Fire Fighters of Massachusetts, must continue working to uphold that tradition by ensuring that the right people are elected to run our government.

It is with great enthusiasm that the Professional Fire Fighters of Massachusetts endorse your candidacy for 9<sup>th</sup> Middlesex District State Representative.
